MY PASSION FOR THE ARTS AND LIFE IS ONE OF THE MANY OUTLOOKS I HAVE. THROUGH EXPERIENCES YOU WILL FIND THAT LIFE CAN GET HARD, IT DEMONSTRATED TO ME THAT YOU CAN BE INDEPENDENT AND STILL BE SUCCESSFUL AT THE SAME TIME, FOR ME I FEEL THAT IT IS VERY IMPORTANT FOR ME TO BE SUCCESSFUL. I LEARNED FROM MY MISTAKES AND SAW A CLEAR REFLECTION OF MYSELF. LIFE IS ABOUT CHOICES AND THE CHOICES YOU MAKE WILL REFLECT YOUR FUTURE. THE WORLD IS PLACE FOR YOU TO LEARN AND FACE NEW CHALLENGES AND I KNOW MY PASSION FOR LIFE AND MY MUSIC WILL DEFINITELY HAVE A GREAT IMPACT ON HOW PEOPLE VIEW THE WORLD.

I can't believe I made it to my senior year. The first high school graduate out of my family. I'm motivated now more than ever. I'm having to make up for how I slacked off sophomore year by having to take Hum3 & Hum4 in my senior year. But it all seems to be much easier to accomplish knowing that my friends and family really got my back. It's gonna be really hard for me to let all of these beautiful people go. I've gotten to know some very beautiful people throughout my four years of high school both students and teachers and I'm just not ready to let go. I am so grateful for everyone in my life right now. I'm grateful for my talents and all the people that try to support and guide me. To All my friends you know I got love for you! Special shout outs to my family, I love you Ma and Dad.

May God bless and keep you always,
May your wishes all come true,
May you always do for others
And let others do for you.
May you build a ladder to the stars
And climb on every rung,
May you stay forever young,
Forever young, forever young,
May you stay forever young.

May your hands always be busy,
May your feet always be swift,
May you have a strong foundation
When the winds of changes shift.
May your heart always be joyful,
May your song always be sung,
May you stay forever young,
Forever young, forever young,
May you stay forever young.

May you grow up to be righteous,
May you grow up to be true,
May you always know the truth
And see the lights surrounding you.

It's not fair that every time I fall in love, I have to leave... and it's no different with all of you. I genuinely hope all of your dreams come true. Stay HUMBLE and know life is going to be hard, Our dreams are way too big for our journeys to be easy. PLEASE don't ever give up on your dreams. I love you all TOO much. **Class of 2006 baby!!!**

Ms. Jones...

Your wisdom, your honesty, your talent, your heart...I admire you entirely. I know sometimes (well, most of the time) I was a pain but just know I appreciate all you did for me. You never gave up on me & you always pushed me because you believed in me even when I was struggling with believing in myself. I wanna be just like you when I grow up! You are amazing & I will never forget you! I love you so much!
"Lead me. Encourage me. Believe in me. Love me. Then, shall I learn."

Daddy...

High school was crazy! Sometimes I sit back & wonder how different it would have been if you were around. Maybe, days when I felt like my talent wasn't enough, you would have been there. Sometimes you need that special support that you know only a certain person can give. I didn't have it but I'm not bitter because I know if you were capable of being there, you would have. I love you with all of my heart. ♥

And even the mountains bow to us

As we paint the sky.

If I had my life to live over again,
I'd make more mistakes next time.
I would be sillier than I have been this trip.
I would take very few things seriously.
I would take more chances.
I would take more trips.
I would climb more mountains,
watch more sunsets,
and swim more rivers.
I would perhaps have more actual troubles,
but fewer imaginary ones.
Oh, I've had my moments
and if I had it do over again,
if I had my life to live over again,
I would go barefoot earlier in the spring
and stay that way later in the fall.
I would go to more dances.
I would ride more merry-go-rounds.
I would pick more daisies.

The past four years at BAA have truly been a learning experience. From all of the random corny jokes that I made with my friends, to all of the arguments I have had with myself, but I have actually learned from all of you. Most importantly, I have learned not only from myself, but I have actually learned that, you miss out on a lot. So a little word of advice: If you make excuses not to do it, you will never know if you can do anything, so do not hold back. Anyways, enough of all of that... I just want to say good luck to all of the class of '06 and make sure that you live your life to the fullest, because unfortunately, you only get one chance at life...so do not blow it!!! This page is dedicated to the people that helped me through BAA.

All of the wonderful teachers that cared, all of the friends that were with me when I shared my tears, all of the pressure individuals put on me to make me stronger.

Thank you!

You are the reason why I am where I am today. You made me stronger and polished my being.

I will miss the sounds of laughter and the beautiful smiles. The times where we discussed things nobody would dare. Im even gonna miss saying hello to people I did not quiet know. Im really gonna miss you guys.

House of Mirrors
Diluted and abused
Masochistic and misused
Inner demons crawl outside
To make the color of your eyes

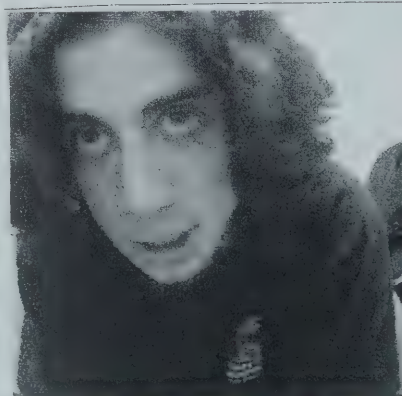

Vacancy matches the dress
Letting go would be careless
You can't see yourself much better
When you're in your house of mirrors

Tranquil and insane
Torpid and to blame
Inner demons crawl outside
To feed from the veins of your pride

Mascara runs through your veins
Perfection keeps you sane
You can't see yourself much better
So go ahead and drive the stake through her

Vacancy matches the dress
Letting go would be careless
You can't see yourself much better
When you're in your house of mirrors

Damn, it has been a long four years!!! It's about time we are getting out of here, lol. These past four years have been a massive wreck... but I loved every minute of it. From the Step Squad (Holla!), to the parties in and outside school (Bessie tryin to give a lap dance), and everything else

Vocal Tech 4- Whoa! We have been through so much drama from my Freshmen Flippy to Ms. Smith, but we have always held it together. Today, I can honestly say I love you all!

My VA People- Dude, you guys are crazy! I am gonna miss our lunch times actin' like a fool. You guys know who you are!

Courtland- You know you're my girl! I got your back! Lol. We really need to keep picking on everyone! Good Times! Nikki- You're my cuz! Thanks for always being there for everything. And thanks for driving me! Lol. Let's hope C-Town gets better

Devin- From Freshmen year to Mexico we have always been together! Stay positive! You'll be good....Keys!

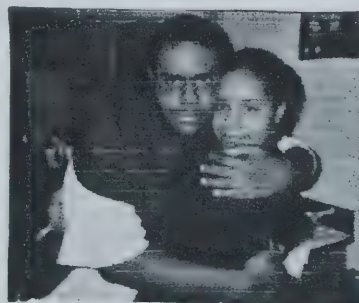

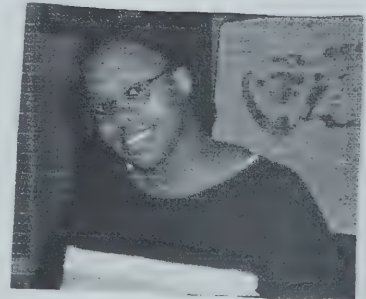

Bessie- You know I love you! I'm gonna miss our random phone calls about your pathetic life. Remember to always stay strong! I'm here for you!

Nakia- What the hell am I gonna do with you? You're definitely like the sister I never wanted! Lol. You honestly have no idea how much you have done for me and how much I am gonna miss you. The true question is what the hell I'm gonna do without you!

"You speak and it's like a song and just like that all my walls come down. It's like a private joke just meant for us to know"I love you!
